

ABC-C Announces Launch of eSeminar

The Army Benefits Center-Civilian (ABC-C) is pleased to announce the launching of a new benefits tool - eSeminar. It will be available to employees through their secure Employee Benefits Information System (EBIS) accounts on the ABC-C website.

The eSeminar module provides an additional avenue to educate our workforce on their benefits. The courses provide a narrative presentation with eight separate benefit topics ranging from new employee benefits, TSP, Social Security, financial planning, and Flexible Spending Accounts. The course consists of benefits related information for early, mid-career and end of career retirement planning. The eSeminar module will be available through EBIS starting 15 May 2012.
